

Communities Surveyed

The Rural Housing Collaborative visited 30 communities in South Dakota and Minnesota, and studied 20 housing development projects in those communities to learn in-depth about completed or in-progress housing projects. Individual interviews were conducted with 1-4 people in each community, each lasting roughly 2 hours. In all, over 65 communities and organizations were contacted. The site visits included the following communities, projects and organizations:

Communities		
Belle Fourche	Eden	Redfield – Sunrise Addition
Bridgewater	Emery	Redfield – Southwest Addition
Britton	Howard	Roscoe
Canistota	Montrose	Sturgis
Chamberlain	New Underwood	St. Peter, MN
Corsica	Parker	Whitewood
Deadwood	Plankinton	

Projects/Organizations	
Black Hills Special Services	Neighborhood Housing Services - Black Hills
Planning & Development District III's Prairieland Housing Development group	NESDCAP/GH Development Corp. Partnership
Greater Minnesota Housing Fund	NESDEC and HAPI Aberdeen

The Collaborative also completed a phone/email survey to community leaders in small South Dakota towns. The following 41 communities responded to this survey regarding local housing development:

Communities
